How to Join Our Business Network

Welcome! Follow the steps below to become a member of WindsorBusinessHub and start growing your business within our thriving local network.

1

Explore the Network

Visit the About page on WindsorBusinessHub.com to learn about who we are, our mission, and the value we bring to local businesses.

2

Choose Your Membership

Navigate to the Join page to review the available membership tiers and pricing. Select the option that best suits your business needs and click the Join button.

3

Complete Your Business Profile

Fill out the registration form by selecting your business category and membership tier, then provide detailed information about your business. Once complete, submit the form.

4

Review Registration & Select Payment Plan

Carefully read the registration confirmation message. When ready, proceed to payment by selecting one of the three available subscriptions.

5

Make Your Payment

Complete the payment form and submit your payment online. Alternatively, you may pay in person or via e-transfer — contact us for instructions on these options.

6

Verification & Welcome

Our team will contact you by phone to verify your business. You will also receive a welcome email containing your membership information and next steps.

7

You're In! Membership Activated

You will receive your onboarding package, and your business listing will go live. Your membership is now fully activated — welcome to Windsor BusinessHub!
